

**BETH HACCEREM RETREAT CENTER
MIGDAL COLONY, ISRAEL**

Beth Haccerem (“House of the Vineyard”) is a private religious retreat center hosting individual pilgrims, church groups, and university groups to a Christian retreat center. We are privileged to have such accommodations for our excavation and we must act responsibly at all times while on the property. The facility sits upon the western hills above the Sea of Galilee. It is a beautiful location with sunrise and sunset views of the lake. Rooms are basic, comfortable, and have a private bath. Balconies provide privacy and exceptional views. Three meals are provided daily at the retreat center. A meeting room and open-air public areas serve as gathering places for lectures and discussions.
